# TESTIMONIALS

Giritaly has been planning events since 2008!

Tons of weddings executed with love and emotion, standing by our lovely couples' side through the most important day of their lives.

We invite you to have a look at some of the glowing testimonials that prove our commitment and passion...

" Words cannot express my gratitude for Giritaly Team. My wedding was wonderful and exactly how I wanted it to be, everything was so perfect because of their hard work. I came to them with a simple idea and they worked their magic and brought an amazing event to life.

I am incredibly lucky to have had their help, they had everything %100 under control. Trust me it was a stress free wedding and I loved everything they came up with.

My big day ran so smoothly, everything was so magical: the venue, the food, the flowers, the ambiance... Every moment was so special and every person left with a huge smile on the face and a beautiful memory for life."

A thank you note for Micheline Diab is not enough; thank you for being the guardian angel of our lifetime celebration, thank you for all the effort and hard work you have put for the success of our big day. You have done a lot and with all your heart and that's what makes the difference!

We are grateful for making our wedding so magically "Real", reflecting who we are and allowing us to be extremely comfortable, enough to be none other but ourselves and to have pure fun!

Thank you Giritaly team for your patience in responding to our questions and requests. We are hearing amazing feedback on the wedding. We wish you all the best and hope you will be growing it more and more..."

You guys were amazing, you outdid yourselves and you made our dreams come true. I'm so happy that we had the chance to meet you and work with you, you are good people and I know how hard you worked for this. We just want you to know that it really paid off and we are over the moon. And that the compliments are not stopping.

Literally everyone who was at the wedding is telling us that this is the best wedding they have ever seen, from the organization to the venues to the food to the decor and the mood and everything"

" We would like to thank your efforts, commitment and vision for the organisation and setup of our special day.

The feedback was simply great, positive and affirmed the enthusiasm we were initially seeking. A huge thank you note to all of your team members including Alessia, every supplier, the people involved in every single detail.

The day is still being discussed till this day, you simply turned things around and personally landed above my expectation – simply, the best night in our life so far!"
